Your LETTERS and LAUGHS PAGE

Dear Editor,
My friend Louise and I had to push a car up a hill while her dad was driving it. It took us about an hour and when we got to the top we got on the kerb and Louise's dad got out of the car. Then we looked over a wall and watched some trains until Louise's dad remembered he had left the hand brake off and the car was rolling down the hill! We started running after it and we had to push it back up again! Lesley Bowen, South Emsall, West Yorks.

Dear Editor,
I got a pair of slippers and a box of chocolates from my nanny at Christmas. They are really big fluffy slippers and my cats, Meeny and Inky, love them. They keep sitting on them and sucking them but the fur gets up their noses and makes them sneeze. The slippers are nearly as big as the cats and at first they were frightened of them, but now they are brave. Love Kay Wilkinson, Barnet, Herts.

"There was an old man from Peru
Who dreamt he was eating his shoe.
He woke in the night
With a terrible fright,
And found it was perfectly true!"
From Stuart Hill, Bodmin, Cornwall.
